Stephen Delanty, Byron George : The Asset and Estate Organizer: Your Total Life Information in One Place before purchasing it in order to gage whether or not it would be worth my time, and all praised The Asset and Estate Organizer: Your Total Life Information in One Place:

A plan to protect begins with a plan. The Asset and Estate Organizer is the most complete and up to date way of assembling all the information that your heirs will need to properly execute your wishes. Every aspect of your estate is addressed including the digital data and Social media connections.

About the Author Both Authors are Lawyers each with 40 years of practicing in Michigan and Illinois.
