Aristotle : The Athenian Constitution before purchasing it in order to gage whether or not it would be worth my time, and all praised The Athenian Constitution:

A remarkable study of how the democratic institutions worked in the Greek city-states is presented. A detailed analysis of the institutions of judiciary, executive and government, under different rulers is offered. An irreplaceable and invaluable source of knowledge about the earliest democratic institutions.

About the Author Aristotle is an icon of intellectual philosophical thinking. Though abstruse his writings are easily comprehensible. His thoughts had clarity and he wrote with a superhuman precision. Aristotles doctrine dominates all modern issues, science and else.
