## Achieve Happiness:

The Best Divorce is the one nobody hears about. The Best Divorce is settled quickly, on fair terms, without any nastiness, threats, or significant legal fees. Your divorce can be the Best Divorce, but it will take some work. Much like the creation of great businesses, investments, or professional practices, the Best Divorce will not happen accidentally, easily, or overnight. The Best Divorce is the product of purposeful planning followed by executing on strategies designed to produce a specific, desired result. For most people, this result is a clean, favorable, wind up of the legal and family issues involved with divorce and a fresh start in life. In this book South Florida Divorce Lawyer Christopher R. Bruce teaches you how to develop and execute upon strategies for having the Best Divorce possible and optimizing your ability to have a life to be proud about when your divorce is over. You will learn the ten important steps involved with developing and executing a Best Divorce plan for getting through your divorce with as little collateral damage as possible. You will also learn how to navigate your divorce in a dignified manner that lays the foundation for you living the life you desire and deserve after the divorce is over while preserving harmony within your family. The bottom line is everything in this book is designed to help you achieve the two goals Christopher R. Bruce has for all of his clients. The first goal is to obtain a divorce on favorable terms as soon as possible. The second goal is to lay a foundation for you to live your ideal life when your divorce is over. If you read this book, and apply the proven strategies to your situation, you will give yourself the best opportunity to attain these goals and have the Best Divorce possible. You'll be glad you did.
