Annie Dike : The Billable Hour before purchasing it in order to gage whether or not it would be worth my time, and all praised The Billable Hour:

0 of 0 people found the following review helpful. Quick and easy read regarding billable hoursBy Anthony ZVery concise and easy to read book detailing billable hours practices. A must for any lawyer that needs to refine his billing.0 of 0 people found the following review helpful. Great points in this book to ensure you are billing ...By IowaBrookeGreat points in this book to ensure you are billing FAIRLY and ACCURATELY to increase client satisfaction and recapture time we've "forgotten" to bill. I love that there is also a section for staff/paralegals. It's an easy read but VERY useful!1 of 1 people found the following review helpful. Dike goes through various types of

attorney and paralegal work in great detail and describes how to break down common tasks ...By Camela McLarenA very detailed look at how to track, record, describe, detail and identify your tasks in terms of billing. Dike goes through various types of attorney and paralegal work in great detail and describes how to break down common tasks into billing segments. While you may or may not agree with all of the tips she gives, this resource will make you think about things you probably have not considered before in how to bill, and that makes it a worthy read. As we learn in coaching, resources are important in helping you figure out how to do things your own way. This will do just that. Use this book to discover new ways that work best for you in terms of billing. Use it to brainstorm your own tips. You will undoubtedly find ideas you have not considered before. Dike includes descriptions of billing that will assist both your client and the court in understanding your bill.

For lawyers billing by the hour, every six-minute increment counts. With *The Billable Hour* you will learn to bill more efficiently, more effectively and more, ethically. This comprehensive guide to hourly billing will teach you to convert block-bills into single-activity tasks, capture more billable tasks, document your time contemporaneously, craft entries that meet client approval, and spend less time on billing and bill review. Learn to bill smarter, and you will bill more. Get *The Billable Hour* via INSTANT DOWNLOAD at www.billbetter.net.
