**Robert J Allen JD : The Business and Law of Horses: A Guide for the Small Horse Owner and Breeder** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Business and Law of Horses: A Guide for the Small Horse Owner and Breeder:

0 of 1 people found the following review helpful. Three StarsBy J. A. HupperichReading. IDK

The Business and Law of Horses is a guide for the small horse owner and breeder. The focus is on making your equine investment pay off for you. The author provides insights and help aids based upon his years, along with his wife, of involvement with horses. The fact is that you, the reader, are pursuing this title and its contents indicates that you have at least a passing interest in horses. So the question is as noted, how do you make your investment of time and resources in equine activities pay off for you? The context of horse ownership can range from a business endeavor and investment to simply the pleasure of owning and enjoying the equine regardless of breed nuances. In the past the horse was a fixture in our culture as a component of life, work and transportationwork-horse to war-horse. In short, the horse was useful and necessary. The challenge is now to fit the horse into our fast paced life style, an era marked by information and communication technologies. What utilitarian role will the equine play in the new millennium?

About the AuthorRobert J. Allen, born 1939 in Michigan. Entered United States Marine Corps out of high-school. Retired as investigative captain from midsize community police department. Also, retired attorney and formerly 30 year member of the Washington State Bar Association. Has an under graduate degree with a major in political science, and a Juris Doctorate of Laws degree.
