Five StarsBy Sergio RodriguezFantastic, a must have for any probate paralegal.

The California Probate Paralegal, Second Edition, is a comprehensive textbook for students and practicing paralegals in California. It covers the nuts and bolts of probate, estate planning and administration using a balanced approach of theory and application. The textbook includes the history of probate and estate planning, as well as the most current, up-to-date information about estate planning and administration. This textbook provides state specific statutes, rules, and procedures and step-by-step guidance in preparing California Judicial Council forms and pleadings. Forms and practical examples are used throughout the book as they apply to typical probate and estate issues a paralegal will face in the law firm. The book is written for all levels students as well as practicing paralegals. Readers will enjoy this topical and easy to follow textbook and will refer to it again and again as a valuable desk reference in their daily work as a probate/estate planning paralegal.
