From Eleven International Publishing : The CAM-CCBC Arbitration Rules 2012: A Commentary before purchasing it in order to gauge whether or not it would be worth my time, and all praised The CAM-CCBC Arbitration Rules 2012: A Commentary:

The prominent role of the Center for Arbitration and Mediation of the Chamber of Commerce Brazil-Canada in the context of international commercial arbitration in Brazil is already well established, but its recognition will be

enhanced by the fact that it will serve as the relevant set of rules to be applied in the 2017 edition of the Vis Moot Competition. The present commentary provides a detailed road map of the international arbitral process as contemplated from a Brazilian perspective and through the particular prism of the rules of Brazil's pre-eminent arbitral institution. It thus provides the English reader with a valuable opportunity to consider how international arbitration is meant to function in Brazil. [Subject: Arbitration Law, Commercial Law, International Law]
