From Brand: Cambridge University Press : The Cambridge Companion to Ancient Greek Law (Cambridge Companions to the Ancient World) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Cambridge Companion to Ancient Greek Law (Cambridge Companions to the Ancient World):

This Companion provides a comprehensive overview of the major themes and topics pertinent to ancient Greek law. Many of the 22 essays, written by an international team of experts, cover procedural and substantive law in classical Athens, but significant attention is also paid to legal practice in the archaic and Hellenistic eras. The essays offer substantial evidence of legal practice in Crete and Egypt, as well as the intersection of law with religion, philosophy, political theory, rhetoric, and drama.

"I have successfully used the Cambridge Companion to Ancient Greek Law with my students in a senior undergraduate course on Greek law. Its range of intellectual approaches and accessibility have worked very well." -- Phoenix: Journal of the Classical Association of Canada "A conspicuous place in legal historian's toolkit will be reserved for The Cambridge Companion to Ancient Greek Law." *Ordia Prima*, Ilias N. Arnaoutoglou, Academy of Athens
