From American Bar Association : The Clean Air Act Handbook before purchasing it in order to gage whether or not it would be worth my time, and all praised The Clean Air Act Handbook:

More than four decades after it was enacted, the Clean Air Act remains one of the most significant and sweeping pieces of environmental legislation in the countrys history. This established resource provides a broad and balanced perspective of the statute and the EPAs implementing regulations and policy guidance. Combining the experience and knowledge of 31 private and public sector Clean Air Act practitioners, this deskbook covers the entire statute as well

as recent developments such as greenhouse gas emissions and response to Massachusetts v. EPA.

About the Author Julie R. Domike is a partner in the firm of Kilpatrick Townsend Stockton, LLP, in Washington, DC. Alec C. Zaccaroli is an attorney at Kilpatrick, Townsend Stockton, LLP, in Washington, DC.
