Oliver Wendell Holmes : The Collected Works of Justice Holmes: Complete Public Writings and Selected Judicial Opinions of Oliver Wendell Holmes before purchasing it in order to gauge whether or not it would be worth my time, and all praised *The Collected Works of Justice Holmes: Complete Public Writings and Selected Judicial Opinions of Oliver Wendell Holmes*:

"Sure to be the standard reference for all subsequent scholarship." John Noble Wilford, *New York Times Book Review* "A critical contribution to legal literature, and definitely worth having." Peter J. Messitte, *Trial*

From the Back Cover This three-volume set, the first three in a five-volume edition, is the authoritative collection of the public papers of the greatest thinker and writer in the history of American law. This landmark edition will include all of Holmes's nonjudicial writings intended for publication or for an audience and, in volumes 4 5, his most

significant opinion from the Massachusetts Supreme Judicial Court and the United States Supreme Court.
