Alexander A. Bove : The Complete Book of Wills, Estates, and Trusts before purchasing it in order to gage whether or not it would be worth my time, and all praised The Complete Book of Wills, Estates, and Trusts:

52 of 56 people found the following review helpful. Comprehensive but not easy to find general strategiesBy A CustomerBook is very comprehensive but it is a long and somewhat boring read. Of course, when you are talking about death and taxes how do you make it interesting? Thank goodness for the use of real live examples to liven up the

text. Was hoping for identification of strategies for married couples with different ranges of net worth (\$600K to \$1.2M range, \$1.2M to \$5M range, and over \$5M). Did not find these strategies easily by reading the book. Book is written in terms the laymen can understand. Since many of us will be executors of estates someday it is useful information. Book does help explain many of the aspects to consider when planning your estate. Good reference on basics of estate planning. 0 of 0 people found the following review helpful. Four Stars By Atari Lots of wear and tear but I appreciate the book. Thanks. 0 of 0 people found the following review helpful. Five Stars By Lili Liaskas Great read for an intro to Trusts n Wills

An updated and revised edition of the authoritative legal handbook on wills and estates (over forty thousand copies sold), now including a new section on trusts. *The Complete Guide to Wills, Estates, and Trusts, Second Edition* features extensively revised will and estate planning information and now details the most up-to-date laws and benefits for a wide variety of trusts, including educational trusts, medicaid trusts, asset protection trusts, and more. Providing clear explanations of legal terms and practices and many asset-saving tips highlighted by entertaining and illustrative stories, Alexander Bove tells readers how to:

- o Make a will
- o Settle an estate
- o Make a claim against an estate
- o Contest a will
- o Create a living trust
- o Avoid probate and taxes

This is the only legal guide readers will ever need to ensure that their money and holdings remain in the family.

About the Author Alexander A. Bove, Jr., esq., is a prominent Boston estate attorney who has been a regular columnist on legal and financial subjects for *The Boston Globe* for twenty years. He teaches estate planning at Boston University Law School and lives in Boston.
