**Forrest S. Mosten : The Complete Guide to Mediation: The Cutting-Edge Approach to Family Law Practice** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Complete Guide to Mediation: The Cutting-Edge Approach to Family Law Practice:

0 of 0 people found the following review helpful. THE A-Z Guide for Learning About MediationBy Diana L. MercerForrest Mosten is one of the top pioneers in the field of alternative dispute resolution. While this book is a little older at this point, it's as relevant and current as it was when it was published. This is truly the "covers everything" book and a must-have for any mediator's library. It's a terrific companion to Mosten's Mediation Career Guide as well as Christopher Moore's The Mediation Process. Buy these 3 books and you've got the backbone of your mediation library. I own at least 300 mediation books (I'm a full time mediator) but this is one of the best.4 of 4 people found the

following review helpful. The handbook for starting a mediation practiceBy Diana MercerThis is "the" handbook for all mediators wishing to either start or re-vamp a mediation practice. It covers from A-Z everything you need to know about both the practice and office setup. I've taken a 40-hour mediation training with Mr. Mosten, and he's one of the most talented and knowledgeable professionals in practice today. A must-read.

Complete guide to using mediation in a family law practice.
