Stephen Maple : The Complete Idiot's Guide to Wills and Estates, Third Edition before purchasing it in order to gage whether or not it would be worth my time, and all praised The Complete Idiot's Guide to Wills and Estates, Third Edition:

0 of 0 people found the following review helpful. I recommend it. By Gary Biggs A bit dated, but the book gives you important information abt preparing your will and estate planning. I learned enough from the book that I was able to discuss some important issues with the attorney that I wasn't aware of bef reading the book. I recommend it. 0 of 0 people found the following review helpful. I bought the older 3rd edition used because it was ... By Ivan I bought the older 3rd edition used because it was so much cheaper, and still found the information help. I am setting up a Will and an Trust. The book expanded on what I already knew about my own situation and even my elderly parents. The book is helpful. 1 of 1 people found the following review helpful. What I needed By Alan Fryer We just had a child and needed to do some simple estate planning and my goal was to be able to go to a lawyer and have a real dialog. The book did a good job of preparing me for that situation and it did so very quickly. It helped me know which questions to

ask even if some of the information in the book the lawyer did not agree with. So for me, for my purpose it was great.

Start planning for the future today. Although a majority of Americans know they need a will, about 70% of them don't have one. In fact, the legalities involved are not very complicated and most people can get it done easily with this book. Estate planning is largely the same. In this revised and updated edition of *Complete Idiots Guide to Wills and Estates*, readers will find a complete inventory of everything to be considered in creating wills and estate planning, vital information on trusts, taxes, and eldercare planning, and much more. All tax information revised and updated. Sections on IRAs and Roth IRAs have been revised to reflect changes in the law. Features online estate and financial planning sites. Additional coverage of post-mortem estate planning. Additional material on eldercare planning, such as living and support arrangements.

About the Author: Stephen Maple is an associate professor of business law and tax at the University of Indianapolis, where he has been named university teacher of the year. An attorney, he has been a member of the Indiana bar since 1969, practicing primarily in estate planning and probate. He has written over 60 articles and book reviews, and is the author of *The Complete Idiots Guide to Law for Small Business Owners*.
