Lisa Goldoftas, Carolyn Farren : The Conservatorship Book With Forms (Conservatorship Book for California) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Conservatorship Book With Forms (Conservatorship Book for California):

1 of 1 people found the following review helpful. The Conservatorship BookBy Brad E. ElliottThe book contains all the information needed to help you decide which type of Conservatorship best suits you needs. It also informs you that there are other ways to go besides a Conservatorship.The forms are easy to follow as are the directions. I recommend reading if you or a family member is looking into assigning a Conservator, one being asked to be a Conservator or someone thinking of persuing a Conservatorship of a family member or friend.0 of 0 people found the following review helpful. Good buyBy A. MartinezBook in good condition also arrived sooner than expected. Very helpful

information since there is nothing really out there on this subject it is worth the buy. 5 of 5 people found the following review helpful. Good General Information In Need of Updating By Ms. Ladybug I work in the law and wanted some general information that is not legalese. This is it, BUT because the law changes, the book is out of date and needs updating. It gives a good overview. There are many unrepresented litigants who need guidance. This book helps but doesn't solve the problem.

If a family member or friend becomes incapacitated due to illness or old age, it may become necessary to have a conservator appointed by a court to take charge of medical or financial affairs. This book will help readers determine when a conservatorship is necessary and what alternatives exist. It provides complete instructions and all the forms necessary to set up a legal conservatorship in California.

Provides critical information on conservator's duties and responsibilities.... Recommended for anyone considering becoming a conservator. -- California Law Center on Long Term Care About the Author Lisa S. Goldoftas holds a B.A. from the University of Michigan and an M.A. in English from San Francisco State University. She is the co-author of The Guardianship Book for California and The Conservatorship Book for California. Lisa has never looked back on her decision to go trekking in Nepal instead of going to law school.
