Leo Terbieten MFT : The Custody Manual before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Custody Manual:

0 of 0 people found the following review helpful. Helps to build confidence when going into custody discussionsBy N. Bishop
This guide was helpful to focus on the tenets and important items during our discussions (and reinforces that kids always come first). Would be great if Leo provided some examples of an outline doc for how to structure your custody counseling submissions, what kinds of things are helpful for custody counselors, etc.
0 of 0 people found the following review helpful. Useful Tool for anyone going through a divorce with childrenBy richard helzberg
Practical

experience resulting in a very useful and practical guide- and from a mental health professional with very substantial experience as both a mediator then supervisor at Family Court Services.0 of 0 people found the following review helpful. Learn about the custody process and how to put the children firstBy Bonnie CAI wish this book had been available a few years ago. I would have given it to several friends who went through difficult divorces. Both the text and the stories about families in actual custody situations are very helpful. You come away learning how the custody process works, tips for coping with a difficult ex and ways to keep your children safe and well adjusted.

The Custody Manual, by family therapist Leo Terbieten, is a practical guide to the child custody process. This clear, concise handbook helps you understand how the system works, from the perspective of a professional involved in the family law courts for 20+ years. Learn how to put your children first while avoiding common mistakes during contested custody negotiations and litigation.

About the AuthorLeo Terbietens family therapy practice supports parents and children at their most vulnerable time the transition through divorce. Hes here to help you minimize stress and uncertainty as you interact with family court services and the family law court. Leo advises and walks you through the bewildering process that is crucial to your ability to parent your children.
