**Sean Gentile : The Department Of Revenue Child Support Enforcement: Secrets They Don't Want You to know** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Department Of Revenue Child Support Enforcement: Secrets They Don't Want You to know:

effective action of the staffers at the Department Of Revenue Child Support Enforcement so it minimizes the betrayal. I'm more prepared. I appreciate you Sean. Thank you. 0 of 0 people found the following review helpful. Book is a scam. By Gene M. "Secrets They Don't Want You to Know" is nothing but a bunch of rants by the author, many repetitive. It offers no solutions. The book is 46 pages long, yet pages. Pages 1-16 are the author's content/writing/rants. Pages 17-23 are advertising by attorneys who specialize in family law. Pages 24-45 are blank pages lined like notebook paper with "NOTES" written at the top of each page. So, this should be called a book. It's really six pages and more like a pamphlet of the author's complaints. Not worth \$1 as it offers no credible solutions. It should be noted that the author was sanctioned by the Florida Bar for practicing law without a license for advising her clients (she owns a business that helps people with child support issues) on matters of law. 1 of 1 people found the following review helpful. Don't Waste Your Time or Money. By AUDIPOHI found it poorly written in unusually small writing. What a waste of \$4.

"The department of revenue child support enforcement: SECRETS THEY DONT WANT YOU TO KNOW" harbors the real truth about staffers' ruthless spin of non-information to parents honestly seeking help for their case. The non-information is equivalent to impolite, cruel behavior from staffers who are compensated by your tax dollar. It is Sean Gentile's opinion that the true joy of the staffer is to elicit massive frustration from a needy parent as the parent is sent away with nothing but despair. Learn these secrets so the poisonous lies and embarrassing abuse can be avoided.
