James T. Friedman, Pamela Painter, Enid Levinge Powell : The Divorce Handbook: Your Basic Guide to Divorce (Revised and Updated) before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Divorce Handbook: Your Basic Guide to Divorce (Revised and Updated):

1 of 1 people found the following review helpful. Four StarsBy Alexandra B. CastleOut of date but there are still some good points0 of 4 people found the following review helpful. Divorce Handbook: Published 1984.By Lloyd AllanI

was disappointed when I found that the latest publication date for the Divorce Handbook was 1984. Imagine touting a 27-year-old book! Thank God I only lost about six bucks. Material very, very basic. The delivery was timely and item received in good order. 0 of 0 people found the following review helpful. It's still up to date. By jimtom The Divorce Handbook has been updated 3 times since 1984. It continues to be a basic guide, but you must talk to a lawyer before entering into a divorce proceeding so you know what to expect and after to remember his or her advice. Laws in the 50 states change from time to time and a lawyer will bring you up to date and guide you.

Since its first publication in 1982, The Divorce Handbook has sold over 200,000 copies. In this new and fully revised edition, specialist in family law James T. Friedman covers, in an easy-to-use question-and-answer format, all the issues involved in negotiating a separation and divorce--how to choose a lawyer; how to arrange child custody, support, and visitation; how to prevent financial hide-and-seek; what to expect of the divorce proceedings themselves; and what to do if the divorce goes to trial. This revised edition addresses current trends in such areas as divorce law, alimony, property division, shared parenting, and visitation; it includes an expanded section of checklists, schedules, and guides for reconciliation and child support, as well as attorney retainer agreements, asset/liability worksheets, and more. The American Bar Association has called The Divorce Handbook "a welcome breath of fresh air in an otherwise stifling atmosphere created by a virtual avalanche of books about divorce." The revised edition of The Divorce Handbook is your best guide through the traumatic and painful business of divorce, and will be an essential resource for years to come.

From the Inside Flap Since its first publication in 1982, The Divorce Handbook has sold over 200,000 copies. In this new and fully revised edition, specialist in family law James T. Friedman covers, in an easy-to-use question-and-answer format, all the issues involved in negotiating a separation and divorce--how to choose a lawyer; how to arrange child custody, support, and visitation; how to prevent financial hide-and-seek; what to expect of the divorce proceedings themselves; and what to do if the divorce goes to trial. This revised edition addresses current trends in such areas as divorce law, alimony, property division, shared parenting, and visitation; it includes an expanded section of checklists, schedules, and guides for reconciliation and child support, as well as attorney retainer agreements, asset/liability worksheets, and more. The American Bar Association has called The Divorce Handbook "a welcome breath of fresh air in an otherwise stifling atmosphere created by a virtual avalanche of books about divorce." The revised edition of The Divorce Handbook is your best guide through the traumatic and painful business of divorce, and will be an essential resource for years to come. About the Author James T. Friedman practices with the firm of Davis, Friedman, Zavett, Kane MacRae in Chicago. He is past president of the American Academy of Matrimonial Lawyers and has written many articles for legal journals on divorce, child custody, and related matters. He lives in Chicago with his wife, Carolyn.
