**Michael C. Donaldson : The E-Z Legal Guide to Trademarks Copyrights (E-Z Legal Guide, 11)** before purchasing it in order to gage whether or not it would be worth my time, and all praised The E-Z Legal Guide to Trademarks Copyrights (E-Z Legal Guide, 11):

This book not only explains and walks you through the basics of copyright and trademark law, but actually provides all the government forms needed to file your application. The book cuts through the technical jargon and superfluous

information to provide clear, simple instructions for the layperson.
