Michael Newton : The Encyclopedia of Crime Scene Investigation (Facts on File Crime Library) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Encyclopedia of Crime Scene Investigation (Facts on File Crime Library):

Recent years have brought numerous developments in crime and crime fighting, such as DNA evidence, designer drugs, computer viruses, and online fraud and theft. This text covers all aspects of crime scene investigations, including ballistics, counterfeiting, forensic medicine, firearms, and hijacking.
