Paul Tour-Sarkissian, Tania Tour-Sarkissian : The Essential Guide to California Restaurant Law before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Essential Guide to California Restaurant Law:

0 of 0 people found the following review helpful. Five Stars By joeinchico Outstanding book for restaurants and restaurant lawyers. A must read and reference.

A complex legal infrastructure underlies the huge volume of restaurant sales in California, estimated at \$54.2 billion in 2007 alone. Successful operation of a California restaurant involves local, state and federal laws, including contract law, tort law, health and safety laws, labor laws and environmental laws, to name just a few. This is the very first book to target California restaurant law exclusively, and is designed to provide a general understanding of the wide variety of pertinent laws to attorneys representing restaurant owners and operators. The Essential Guide to California Restaurant Law is a new and invaluable tool for attorneys representing the restaurant industry, providing guidance as to compliance with applicable laws, identification of legal issues, and limitation of liability.

The authors offer valuable general discussions of the many areas of concern to restaurant operators, including food handling and health inspections, labor laws, federal and state regulations, service of alcoholic beverages, and theories of liability to customers. [T]his book is a great start for any lawyer or restaurant owner who needs a ready reference on the legal aspects of running a restaurant. --Los Angeles Lawyer
