Lynn T. Slossberg : The Essentials of Real Estate Law before purchasing it in order to gage whether or not it would be worth my time, and all praised The Essentials of Real Estate Law:

1 of 1 people found the following review helpful. ... teaching the class repeatedly stated that she did not like this textbookBy Ms. WaiteEven the professor who was teaching the class repeatedly stated that she did not like this textbook. I found that I needed to Google further explanations of terms highlighted in the book to get the best understand of the information.1 of 1 people found the following review helpful. I like itBy SonnyI think this is an interesting book to learn the basic of real estate. Basically you acquire knowledge of the rights and the duties when buying or selling a property.0 of 1 people found the following review helpful. Four StarsBy William G. PrewittOkay, purchased it for class...

The Essentials of Real Estate Law for Paralegals, Second Edition takes a very hands-on, practical application

approach, embracing the concept of tell, show, and then involve the student. A virtual law office CD-ROM allows students to work on client files under a supervisor, and requires learners to conform to firm policies. A comprehensive background in substantive law also builds proficiency in real estate file management.

I am very familiar with the reviewed work, as it is one of the finest pieces on the subject. It is used in many undergraduate associate programs. I have found the text to be light in weight but meaty in content. The author has an excellent writing style. It is quite readable. I think that the content of the text, with the modifications noted above, is excellent. The text provides students with a clear understanding of the process and law involved in a real estate transaction. About the Author Lynn T. Slossberg, J.D., is a licensed attorney in the state of Florida and in Washington D.C., as well as a Florida-licensed real estate broker.
