found this map. I've looked at similar maps before for Income tax and Evidence because they came with my book, so I thought I would try this one. I was satisfied with the purchase. It was like a giant flow chart, but helped me overall. 1 of 1 people found the following review helpful. map of estate taxation By chicagoga1 This is literally a fold out map with a flow chart on it. I'm not sure of its utility, but I will likely pin it to my office wall. 1 of 1 people found the following review helpful. What a great idea! By Amy G. Finally! It's about time someone created a visual tool for explaining these provisions. Thanks for making them easier to understand!

The 2011 Map is intended as a tool for self-study of the estate and gift tax provisions in the Internal Revenue Code. It visually synthesizes and combines the concepts, presenting them in a clear and logical way with the objective of guiding readers through the dense and often confusing provisions that have perplexed students and practitioners alike.
