Ann L. Nowak, Lynne Adair Kramer : The Experiential Guide to Law Practice Management before purchasing it in order to gage whether or not it would be worth my time, and all praised The Experiential Guide to Law Practice Management:

What separates this manual and textbook from others in the field of law practice management is the experiential component. The textbook incorporates breakout boxes with experiences from the authors' own law practices to illustrate points in the text. The teacher's manual features simulations, class discussions, and written reflections to give students the experience of handling the kinds of dilemmas, struggles, and emotionally charged situations that are

common when starting and running solo and small-firm practices.

About the Author Ann Nowak is a member of the faculty at the Touro Law Center. Lynne Adair Kramer is the Director of the Court Observation Program at Touro Law Center.
