**Kenneth Norrie : The Family Law (Scotland) Act 2006: Text and Commentary** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Family Law (Scotland) Act 2006: Text and Commentary:

The Family Law (Scotland) Act 2006 amends, updates and improves various aspects of Scottish family law, as well as

introducing important new provisions for cohabiting couples. This book contains the text of the substantive provisions together with Professor Norrie's expert commentary - making it an excellent companion to the new Act for all those who need to know about family law and understand the impact of the new legislation.

About the Author Kenneth Norrie teaches in the Law School at Strathclyde University. He has been involved in teaching and research projects in most Private Law areas, in particular Property, Delict and International Private Law, and he has written widely in these fields and in Legal History.
