Lester Barenbaum, Walter Schubert, Robert Feder : The Family Lawyer's Guide to Stock Options before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Family Lawyer's Guide to Stock Options:

Over 14 million American workers receive employee stock options, making it likely that the issue will arise in an upcoming divorce case. This handy, practice-focused guide provides comprehensive guidance on the valuation, taxation, and distribution of stock options in divorce. It includes sample provisions for property settlement agreements, a 50-state survey of all reported options cases, checklists, charts, glossary, and CD-ROM of appendices.
