By bwrecondo I found this book somewhat helpful but, could be more thorough.

The book provides insight and strategies to help you in your inheritance dispute. The book is written in plain language by experienced wills and estates lawyers. Challenging a will, defending a will, ways to still get a share if you've been cut out of the will, what an executor must know, 2nd marriage issues, stopping a family fight before it becomes a war.

Book Shows How to Win Inheritance Battles. -- The Liberal
From the Author We wrote the book in Plain language. We provide valuable tips and strategies based on our combined 60 years as Wills and Estates lawyers. It applies to everyone not just the rich. From our experience, we can tell you, that many family wars are not just over money-they can be over mom's wedding ring or a painting in mom's home.
About the Author All 3 authors are experienced wills and estates lawyers. Fish and Kotzer are the authors of THE FAMILY FIGHT PLANNING TO AVOID IT
