Charles Wallace Collins : The Fourteenth Amendment And The States: A Study Of The Operation Of The Restraint Clauses Of Section One Of The Fourteenth Amendment To The Constitution Of The United States

before purchasing it in order to gauge whether or not it would be worth my time, and all praised *The Fourteenth Amendment And The States: A Study Of The Operation Of The Restraint Clauses Of Section One Of The Fourteenth Amendment To The Constitution Of The United States*:

Collins, Charles Wallace. *The Fourteenth Amendment and the States: A Study of the Operation of the Restraint Clauses of Section One of the Fourteenth Amendment to the Constitution of the United States*. Boston: Little, Brown, and Company, 1912. xxi, 220 pp. includes tables and diagrams. Reprinted 2004 by The Lawbook Exchange, Ltd. Hardcover. New. * Collins examines the origins of the amendment and the way its scope was enlarged over time. He argues that it has failed to protect African-Americans, and that its application in extra-racial matters has led to excessive litigation and harmful restrictions on the states. "This book is interesting throughout; but perhaps the most striking parts are those in which the author gives the figures as to the number of cases, their nature, and their geographical distribution.": *Harvard Law Review* 26:664-665 cited in Marke, *A Catalogue of the Law Collection at New York University* (1953) 408.
