**J. Whitman : The Fundamentals of Global Governance** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Fundamentals of Global Governance:

What kind of activity is global governance? What do all of the many sectoral forms of global governance of the planetary environment, of global finance and global health have in common? Moving beyond sector-specific studies, this book outlines the fundamentals of global governance in eight chapter-length propositions.

About the Author JIM WHITMAN is Senior Lecturer at the Department of Peace Studies, University of Bradford, UK. He is Series Editor of the Palgrave Global Issues series
