Veterans injured or disabled by something that happened during military service are entitled to veterans disability benefits from the Veterans Administration. *The Ghosts of War: The Medical Doctor's Guide to Service-Related Disability Benefits that Work*, by Allen C. Hassan, MD, JD, explains the process and provides examples of physical and mental evaluations that have worked to get America's military veterans the disability benefits they deserve for PTSD, Agent Orange exposure, rape, racism, mental illness, cardiovascular issues, cancer, musculoskeletal problems and more.
