George P. Fletcher : The Grammar of Criminal Law: American, Comparative, and International: Volume One: Foundations before purchasing it in order to gage whether or not it would be worth my time, and all praised

The Grammar of Criminal Law: American, Comparative, and International: Volume One: Foundations:

The Grammar of Criminal Law is a 3-volume work that addresses the field of international and comparative criminal law, with its primary focus on the issues of international concern, ranging from genocide, to domestic efforts to combat terrorism, to torture, and to other international crimes. The first volume is devoted to foundational issues. The Grammar of Criminal Law is unique in its systematic emphasis on the relationship between language and legal theory; there is no comparable comparative study of legal language. Written in the spirit of Fletcher's classic *Rethinking Criminal Law*, this work is essential reading in the field of international and comparative law.

"The methodology of Fletcher's new work is a distinctive one, and it will be of great interest to see how it affects the arguments presented and conclusions reached in future volumes."--The Edinburgh Law Journal
About the Author
George Fletcher is Cardozo Professor of Jurisprudence at Columbia University.
