Jeremy D. Morley : The Hague Abduction Convention: Practical Issues and Procedures for the Family Lawyer before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Hague Abduction Convention: Practical Issues and Procedures for the Family Lawyer:

0 of 0 people found the following review helpful. This is an excellent resource on Convention cases for family law practitionersBy Sharon SawyerThis is an excellent resource on Convention cases for family law practitioners. It explains what the Convention does and does not do, and guides family lawyers on a clearer path through a very murky area of the law.

Its something every family lawyer should understand: how the Hague Convention works in practice. In an increasingly internationalized area of the law, family lawyers and other divorce professionals are encountering more clients who fear that their children may be abducted, who worry about allowing their children to travel overseas, or are contemplating international marriage or divorce. The Hague Abduction Convention is written by Jeremy D. Morley, who has enormous experience counseling clients and fellow practitioners as to international family law matters globally, as well as lecturing on international child custody law to audiences around the world. This clearly written, accessible, and pertinent guide to the subject: Explains how the Hague Convention works in both theory and practice Explores the relationship between this act, the Uniform Child Custody Jurisdiction and Enforcement Act (UCCJEA)

and foreign child custody laws Covers all critical topics ranging from rights custody to exceptions such as one-year-and-settled and grave risk of harm to international relocations And more, including a CD-ROM with time saving reference materials

About the Author Jeremy D. Morley is a New York lawyer who concentrates on international family law. His firm works with clients around the world from its New York office, with a global network of local counsel. He is a member of the International Academy of Matrimonial Lawyers. Born in Manchester, England, Jeremy has taught in law schools in the United States, Canada, and England. He regularly lectures on international child abduction and other international family law topics to the judiciary, bar associations, and others. He is co-chair of the International Family Law Section of the New York State Bar Association and the former co-chair of the International Family Law Committee of the International Law Section of the American Bar Association. He is also the author of *International Family Law Practice*, a leading treatise on international family law in the United States. He is frequently asked to appear as an expert witness on international child abduction prevention and recovery issues. He is also a frequent guest on television and radio shows on the topic of international child abduction and international divorce law and has been featured in the print media on numerous occasions.
