**Rob Bratby : The International Comparative Legal Guide to Telecommunication Laws and Regulations (International Comparative Legal Guide Series)** before purchasing it in order to gage whether or not it would be worth my time, and all praised The International Comparative Legal Guide to Telecommunication Laws and Regulations (International Comparative Legal Guide Series):

This guide provides the international practitioner and in-house counsel with a comprehensive worldwide legal analysis of the laws and regulations of telecommunications. It is divided into two main sections: Three general chapters. These chapters provide an overview of the EU regulatory framework, a discussion on universal broadband access and
