Rob Bratby : The International Comparative Legal Guide to: Telecoms, Media and Internet Laws and Regulations 2013 (The International Comparative Legal Guide Series) before purchasing it in order to gage whether or not it would be worth my time, and all praised The International Comparative Legal Guide to: Telecoms, Media and Internet Laws and Regulations 2013 (The International Comparative Legal Guide Series):

This guide provides the international practitioner and in-house counsel with a comprehensive worldwide legal analysis of telecoms, media and internet laws and regulations. It is divided into two main sections: Two general chapters. These chapters provide an overview of the EU regulatory framework and a comparative Europe/US spectrum trading focus. Country question and answer chapters. These provide a broad overview of common issues in telecoms, media and internet laws and regulations in 34 jurisdictions. All chapters are written by leading telecoms, media and internet lawyers and we are extremely grateful for their excellent contributions.
