JOINT PROPERTY CAN DESTROY YOUR ESTATE. While it seems easy to retitle accounts as joint with a right of survivorship, it can come with **DEVASTATING TAXES** and **LAWSUIT LIABILITY**. But there are legal and effective planning solutions to help your family **AVOID PROBATE** and **UNNECESSARY TAXES**. Trust planning can provide **PEACE OF MIND**... but only if you plan ahead, use the **RIGHT DOCUMENTS** and work with the **RIGHT PROFESSIONALS**. You'll learn how folk remedies like joint property can produce a tax and legal nightmare; how proven planning techniques can avoid the probate process while avoiding unnecessary taxes; and how a trust can protect your assets from your children's divorcing spouses and bad spending habits.
