With a new introduction by Ronan Deazley, Professor of Law, University of Glasgow. Originally published: London: Stevens and Haynes, 1870. xxiii, xxii, 266 pp. Reprint of the first edition.

A standard book on the law of copyright was published by W.A. Copinger [1847-1910] in 1870. It deals very fully with the history and the statute law as to literary copyright; as to Crown and university and college copyright; as to musical, dramatic, and artistic copyright, and copyright in designs; as to international copyright and copyright in foreign countries; and as to agreements between authors and publishers. The merits of the book are proved by the fact that it has reached a ninth edition in 1958. --William S. Holdsworth, *History of English Law* XV:299-300
