**From Thomson Professional Pub Cn : The Law of Online Business: A Global Practice Guide** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Law of Online Business: A Global Practice Guide:

The arrival of the Internet and increase in electronic commerce has exposed a minefield of widely different regulatory systems around the world. The Law of Online Business provides a clear guide - combining a survey of the general legal principles with country-by-country analysis of on-line transactions in major commercial jurisdictions.\* Gives a genuinely international perspective with separate chapters on 22 jurisdictions\* Practical coverage - highlighting the key points for lawyers to watch\* Regular supplements are planned to keep pace with the development of the law
