Jo Ann Lee, Marilyn Satterwhite : The Law Office Reference Manual (McGraw-Hill Business Careers Paralegal Titles) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Law Office Reference Manual (McGraw-Hill Business Careers Paralegal Titles):

The Law Office Reference Manual contains practical information geared for the legal profession on grammar, spelling, punctuation, word usage applicable to the law; law office procedures; citations to various legal resources with actual citations and examples to case law, administrative laws, statutes, Congressional records, etc. There is currently no one manual combining grammar elements with legal resources and citation format, although there are separate publications dealing with each type of information. There are specialized textbooks on specific topics, including the actual researching and legal writing. The Paralegal Supersite Site
