**Linda Pinson : The Lawyer's Guide to Creating a Business Plan: A Step-by-Step Software Package** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Lawyer's Guide to Creating a Business Plan: A Step-by-Step Software Package:

This practical and convenient software application does 75% of the work for lawyers and business managers who need

comprehensive and customized business plans to maximize profits. For new law practices or existing law firms, *The Lawyers Guide to Creating a Business Plan* will guide practitioners step-by-step toward actualized growth utilizing tested and proven organizational, marketing, and financial strategies. Based on the authors award-winning book, *Anatomy of a Business Plan* (Ben Franklin Award for Best Business Book of the Year) and companion software, *Automate Your Business Plan* (Version 2015), this stand-alone package has been meticulously customized to address the elements and issues unique to law practice development and management. There is no other business plan software on the market that provides law practices with these customized tools in one comprehensive package.

About the Author Linda Pinson is an award-winning author, business planning expert, speaker, consultant, and nationally-recognized business educator with a specialty in financial management and small business curriculum development. The author of nine popular entrepreneurial books, she has also developed and published the best selling business plan software program, *Automate Your Business Plan*.
