**Ben M. Schorr : The Lawyer's Guide to Microsoft Outlook 2013** before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Lawyer's Guide to Microsoft Outlook 2013:

0 of 0 people found the following review helpful. Great book By GIL ALGOM Looked for a Microsoft Outlook guide for advanced and it seems I found what I was looking for. There are useful tips for lawyers which is a great bonus. After you read this book you realize there is no need to buy special software to manage your law offices. Outlook will do the job great. 0 of 0 people found the following review helpful. Indispensable Guide to MS Outlook 2013 for lawyers or financial services professionals By Richard E Weltman Slim volume but packed with powerful ideas and suggestions on every page to implement yourself or bring to your IT team. Very well produced by Ben Schorr who is

clearly an Outlook master.

Take control of your e-mail, calendar, to-do list, and more with *The Lawyer's Guide to Microsoft Outlook 2013*. This essential guide summarizes the most important new features in the newest version of Microsoft Outlook and provides practical tips that will promote organization and productivity in your law practice.

**About the Author** Ben M. Schorr is a technologist and Chief Executive Officer for Roland Schorr Tower a professional consulting firm headquartered in Flagstaff, AZ. In that capacity he consults with a wide variety of organizations including many law firms. He is frequently sought as a writer, teacher and speaker for groups as diverse as the Hawaii Visitor and Convention Bureau and the American Bar Association. Almost 10 years ago Microsoft named him as an MVP in their Outlook product group and he has been supporting Outlook, Exchange and most recently OneNote ever since.
