**Tom Goldstein, Jethro K. Lieberman : The Lawyer's Guide to Writing Well** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Lawyer's Guide to Writing Well:

0 of 0 people found the following review helpful. good buyBy Mark Shawsharpen your pencil I would recommend this to other who would be interested. I added it to my library for proper use0 of 0 people found the following review helpful. Excellent WorkBy Ryan S.This is an excellent work for lawyers wishing to improve the clarity, continuity, and power of their prose. It is easy to understand, and full of examples. This work illustrates what a judge-professor

once taught me: "There is no such thing as good legal writing. There is only good writing." 0 of 0 people found the following review helpful. Help with writing for lawyers on all levels By JoAnn LaMuth The explanations and examples are excellent. Lawyers who would like to perfect their writing need this kind of expert help.

It matters how you write. Lean, clear, crisp prose is no luxury for practitioners who face crowded court calendars, staggering mounds of paper, and overly long affidavits, memoranda, and briefs. Disorganized documents full of "legalese" burden courts and shortchange clients. This concise, lively, and eminently practical volume demystifies legal writing, outlines the causes and consequences of bad writing, and prescribes straightforward, easy-to-apply remedies that will make your writing readable. Everything that most lawyers will need to improve their writing quickly and markedly is here. Authoritative and unique among legal writing guides, the book draws on a nationwide survey conducted by the authors. In their responses, 300 lawyers, judges, professors, writing instructors, and legal journalists from all over the country provided insights into lawyers' writing habits. Throughout *The Lawyer's Guide*, authors Goldstein and Lieberman illustrate their points with instructive examples taken from these lawyers' daily practices. Complete with a glossary that addresses lawyers' most common errors, this easy-to-use book is an invaluable tool for practicing lawyers and a sensible grounding for law students. It is a definitive guide to becoming a better writer and a better lawyer.

From *Library Journal* Journalist Goldstein and law professor/journalist Lieberman examine the most common usage and style mistakes which make legal writing one of the most criticized forms of technical writing. The text is also leavened with over 70 pointed quotations about legal writing and has a glossary summarizing all the principles outlined in the book. This title belongs on all law library shelves next to Lucy V. Katz's *Winning Words: A Guide to Persuasive Writing for Lawyers* (Harcourt, 1987), Richard Weisberg's *When Lawyers Write* (Little, 1987), and C. Edward Good's *Mightier Than the Sword: Powerful Writing in the Legal Profession* (LJ 3/15/89). Recommended. - Merlin Whiteman, Indiana Univ. Sch. of Law, Indianapolis Copyright 1989 Reed Business Information, Inc. "Should be in the office of every lawyer." - William Safire, *NY Times Magazine* From the Inside Flap "This advice is sensible and lucidly given, and what is more, the reason for it is explained, so that even a moderately eager reader need not simply memorize but can remember the principle and apply it where needed." Jacques Barzun, author of *From Dawn to Decadence*
