Cheryl Servais, et al : The Legal Health Record before purchasing it in order to gage whether or not it would be worth my time, and all praised The Legal Health Record:

0 of 0 people found the following review helpful. good bookBy dbljpdyI purchased this book because the college bookstore got the wrong books in for my class. Being an older returning student I didn't want to wait for them to correct the problem. Glad I didn't, it took til the 2nd week of class before some students got their books. Well written, arrived in a timely fashion.
