**Christopher G. Wren, Christopher G., Wren, Jill R. Wren : The Legal Research Manual: A Game Plan for Legal Research and Analysis** before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Legal Research Manual: A Game Plan for Legal Research and Analysis:

8 of 8 people found the following review helpful. Excellent Resource For Understanding How To Find, Understand, Apply The Law By J. Hauck Review of "The Legal Research Manual: A Game Plan For legal Research and Analysis"

by Christopher and Jill Wren. This book is a gem. Understanding that the "key to successful legal research is organization," this text will show the reader and give the paralegal a plan or "roadmap" to gather facts, find the relevant law, and then weave those elements into a pattern that results in a persuasive argument. Broken down into three parts: Part I: Background-Understanding the tools; Part II: Doing Legal Research; and Part III: Appendices; The Legal Research Manual is replete with examples and templates of briefs, Shepardizing, and legal examples (among others). I can't think of another more complete, yet concise and readable text on the subject. I recommend it for all paralegal students and legal professionals. Five stars without reservation. Professor Jeffrey Hauck, JD, CPO, CII, PIParalegal Course and Curriculum Advisor Blackstone Career Institute
