Linda L. Nucci : The Lies Beneath The Mask before purchasing it in order to gage whether or not it would be worth my time, and all praised The Lies Beneath The Mask:

2004, trade paperback edition, RoseDog Books, Pittsburgh, PA, 153 pages. The author, a registered nurse, presents a title that reveals how our government often "protects" the public by allowing sub-standard medical care to happen. She

cites one particular case which occurred in 1994 in Rochester, NY.
