Cecil C., III Kuhne : The Little Book of BBQ Law before purchasing it in order to gage whether or not it would be worth my time, and all praised The Little Book of BBQ Law:

0 of 0 people found the following review helpful. The style is easy, and the explanations of the rulings are simple ...By T. BrenholtsI'm not a lawyer, and found it interesting. The style is easy, and the explanations of the rulings are simple to follow for regular readers. There are recipes at the end of each chapter that look pretty standard, and would be

worthwhile for anyone who does not already have a go-to secret formula of her/his own. A good gift for any bbqing barrister of your acquaintance. 3 of 4 people found the following review helpful. not bad but can be ordered directly from the ABABY southsidelaxman Rather interesting little book on barbecue lore ranging from tax treatment to theft of secret recipes. A good read for BBQ fanatics. Dont understand why the sellers here are charging so much when the list price to general public through the American bar Association is 19.95. Go there if you want it.

Everyone has their favorite barbecue joint. But barbecue also has a serious legal side, and a significant amount of litigation has sprung forth from these smoky flames as well as plenty of litigation concerning commercial transactions, including stolen secret barbecue sauce recipes, tax issues, and property rights. Courts have dealt with some very interesting trademark and tradename disputes as well, concerning some of the biggest and most delicious names in the barbecue business. Featuring heavenly recipes for dishes and sauces from all around the country, *The Little Book of BBQ Law* will help you safely, and hopefully without litigation, enjoy some of the best and most interesting food in the world. It's part of the Acclaimed ABA Little Book series!

About the Author As a member of Fulbright Jaworski LLP's litigation section since 1993, Cecil C. Kuhne has represented clients in federal and state court proceedings involving complex commercial disputes, business torts, and product liability. He resides in Dallas, Texas.
