Cecil C., III Kuhne : The Little Book of Boating Law (ABA Little Books Series) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Little Book of Boating Law (ABA Little Books Series):

Americans love boats for the irreplaceable pleasure they bring. And American lawyers love boaters for the endless litigation they bring. The glorious realm of boating is filled with perplexing legal complications and a healthy amount of business for the trial community, too. This book in the ABA Little Books series, features 16 fascinating cases having to do with the world of watersports. The Little Book of Boating Law aptly confirms that a bad day on the water is still infinitely better than a good day at work.
