George Smith Holmested : The marriage law of Canada: its defects, and suggestions for its improvement - Primary Source Edition before purchasing it in order to gage whether or not it would be worth my time, and all praised The marriage law of Canada: its defects, and suggestions for its improvement - Primary Source Edition:

This is a reproduction of a book published before 1923. This book may have occasional imperfections such as missing or blurred pages, poor pictures, errant marks, etc. that were either part of the original artifact, or were introduced by

the scanning process. We believe this work is culturally important, and despite the imperfections, have elected to bring it back into print as part of our continuing commitment to the preservation of printed works worldwide. We appreciate your understanding of the imperfections in the preservation process, and hope you enjoy this valuable book.
