J. W. Zeigler : The Mediation Kit: Tools to Solve Disputes before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Mediation Kit: Tools to Solve Disputes:

Before taking someone to court to settle a dispute, think about this: litigation comes with a big price tag, a lot of emotional stress, and in many cases years of delay. If you want to save valuable time and money, you should consider using mediation, a more expeditious and effective method of resolving conflicts. Written and developed by practicing attorney and trained mediator J. W. "Zig" Zeigler, The Mediation Kit shows you how to successfully implement mediation to settle all kinds of disputes, whether they involve legal rights, financial issues, or personal and emotional disagreements. Taking you step-by-step through the entire process, this comprehensive resource gives you a clear plan of action for achieving the results you want. With easy-to-use detachable forms, checklists, and cover letters, The

Mediation Kit shows you how to: Use mediation in matters ranging from personal injury and property damage to family, church, or neighborhood disputes Analyze your dispute, state your case effectively, and choose the right mediation strategy Select the right mediator Find free or inexpensive mediation services And much more!
