Adeline Rosemire : The Other Mid-Life Crisis: Everything You Need to Know About Wills Hospitals, Life-And-Death Decisions and Final Matter (But Were Never Taught) before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Other Mid-Life Crisis: Everything You Need to Know About Wills Hospitals, Life-And-Death Decisions and Final Matter (But Were Never Taught):

Here's a quick resource for people who must quickly learn how to help a very sick or terminally ill spouse, relative or friend. It's the best place to look for quick access to general information about hospitals, doctors, hospices, wills, attorneys, and final matters. Extremely helpful reading for caregivers, seniors and anyone over the age of 35. Lists over 150 helpful organizations and resources. Special section on how to organize your 'legal' life in 5 easy steps-- essential to avoiding a crisis. Also, how to approach your parents about their wills and powers of attorney in order to avoid entanglements beyond imagination.

"Don't wait for the bad news. Prepare now with this genuinely valuable resource." -- The Book Reader
"Here's where to turn to for those life-and-death decisions." -- Ruth Paya, San Jose Mercury News
"I will recommend your book to those many people who need this kind of concrete guidance." -- David Spiegel, M.D., Stanford University School of Medicine
