From Tiersma Peter M : The Oxford Handbook of Language and Law (Oxford Handbooks) before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Oxford Handbook of Language and Law (Oxford Handbooks):

This book provides a state-of-the-art account of past and current research in the interface between linguistics and law. It outlines the range of legal areas in which linguistics plays an increasing role and describes the tools and approaches used by linguists and lawyers in this vibrant new field. Through a combination of overview chapters, case studies, and

theoretical descriptions, the volume addresses areas such as the history and structure of legal language, its meaning and interpretation, multilingualism and language rights, courtroom discourse, forensic identification, intellectual property and linguistics, and legal translation and interpretation. Encyclopaedic in scope, the handbook includes chapters written by experts from every continent who are familiar with linguistic issues that arise in diverse legal systems, including both civil and common law jurisdictions, mixed systems like that of China, and the emerging law of the European Union.

"This collection is a tremendous accomplishment from two of the leading figures in language and law, and I would highly recommend it. The chapters contain a wealth of invaluable information and ideas, and the book makes an important statement about the need to bridge the gap between legal, linguistic and psychological approaches to language and law." --Chris Heffer, *The International Journal of Speech, Language and the Law*

About the Author Peter M. Tiersma was the Hon. William Matthew Byrne Professor of Law at Loyola Law School of Los Angeles from 2009 until his death in 2014. He had a Ph.D in Linguistics from the University of California, San Diego, and a J. D. degree from the University of California, Berkeley. His books include *Legal Language* (1999), and *Parchment, Paper, Pixels: Law and the Technologies of Communication* (2010). Lawrence M. Solan is the Don Forchelli Professor of Law and the Director of the Center for the Study of Law, Language, and Cognition at Brooklyn Law School. He is on the editorial board of *The International Journal of Speech, Language, and the Law* and the author of *Language and Judges* (1993).
