From Ingramcontent : The Oxford Handbook of United Nations Peacekeeping Operations (Oxford Handbooks) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Oxford Handbook of United Nations Peacekeeping Operations (Oxford Handbooks):

The Oxford Handbook on United Nations Peacekeeping Operations presents an innovative, authoritative, and accessible examination and critique of the United Nations peacekeeping operations. Since the late 1940s, but particularly since the end of the cold war, peacekeeping has been a central part of the core activities of the United Nations and a major process in global security governance and the management of international relations in general. The volume will present a chronological analysis, designed to provide a comprehensive perspective that highlights the evolution of UN peacekeeping and offers a detailed picture of how the decisions of UN bureaucrats and national governments on the set-up and design of particular UN missions were, and remain, influenced by the impact of preceding operations. The volume will bring together leading scholars and senior practitioners in order to provide overviews and analyses of all 65 peacekeeping operations that have been carried out by the United Nations since 1948. As with all Oxford Handbooks, the volume will be agenda-setting in importance, providing the authoritative point of reference for all those working throughout international relations and beyond.

The Oxford Handbook of United Nations Peacekeeping Operations weaves together a series of chronological chapters that begin by covering thematic perspectives on key issues, such as humanitarian interventions and peacekeeping's role in relation to international law. It then turns to an impressive critique and examination of every individual peacekeeping operation in UN history, their evolution, and impact."--IPI Global Observatory About the Author

Joachim Koops, Dean of Vesalius College Research Professor IES (VUB) and Director of the Global Governance Institute (GGI), Vrije Universiteit Brussel, Norrie MacQueen, Honorary Research Fellow, School in International Relations, University of St Andrews, Thierry Tardy, Senior Analyst, European Union Institute for Security Studies (EUISS), Paris, Paul D. Williams, Associate Professor, Elliott School of International Affairs, George Washington University

Joachim A. Koops is Associate Professor of Political Science at Vesalius College, Free University of Brussels (VUB) and Academic Director of the European Peace Security Studies (EPSS) Programme and the Executive Course in Global Risk Analysis and Crisis Management (GRACM). He is also Research Professor at the VUB's Institute for European Studies and the founding Director of the Global Governance Institute (GGI), Brussels. His latest publications include SHIRBRIG and the Project of a UN Army: Successes, Failures, Lessons Learned (co-authored with C. Tatschl, Nomos, 2014), The Responsibility to Protect and the Third Pillar: A Critical Appraisal (co-edited with D. Fiott, Palgrave MacMillan, 2015), and The European Union as an Integrative Power? Assessing the EU's Effective Multilateralism towards the United Nations and NATO (Brussels University Press, 2011).

Norrie MacQueen is Honorary Research Fellow in the School in International Relations at the University of St Andrews. He worked for the Mozambican Ministry of Education in the years following the country's independence and taught for several years at the University of Papua New Guinea. More recently he served as an electoral officer with the United Nations peacekeeping mission in Timor-Leste. His latest books include: The United Nations, Peace Operations and the Cold War (2nd edition Longman, 2011), Humanitarian Intervention and the United Nations (Edinburgh UP, 2011), and The United Nations: a Beginner's Guide (Oneworld, 2010).

Thierry Tardy is Senior Analyst at the European Union Institute for Security Studies (EUISS) in Paris. Previously he was Senior Fellow at the Geneva Centre for Security Policy (GCSP). He has researched and published on conflict management with a particular focus on the United Nations and the European Union, inter-institutional cooperation in security governance, security regionalism, and the EU Common Security and Defence Policy. His books include Peacekeeping in Africa: The Evolving Security Architecture (Routledge, 2014, edited with M. Wyss), and European Security in a Global Context. Internal and External Dynamics (Routledge, 2009, edited).

Paul D. Williams is Associate Professor in the Elliott School of International Affairs at the George Washington University, USA. He also serves as a Non-resident Senior Adviser at the International Peace Institute (IPI) in New York City and a Visiting Professor at the Institute for Peace and Security Studies in Addis Ababa, Ethiopia. At IPI, he co-manages the Providing for Peacekeeping Project, which aims to generate and disseminate data and analysis to support efforts to improve the quality of troop and police contributions to UN peacekeeping and fill key capability gaps in those missions. His latest books include: Providing Peacekeepers: The Politics, Challenges and Future of UN Peacekeeping Contributions (Oxford University Press, 2013), Understanding Peacekeeping (Polity, 2nd ed. 2010), and The International Politics of Mass Atrocities: The Case of Darfur (Routledge, 2010).
